

### REMARKS

Reconsideration and entry of this Amendment are respectfully requested. A Notice of Allowance for the above application was mailed on September 29, 2006. The allowed claims have not been amended. New dependent claims 98-141 have been added.

Upon reviewing the application upon allowance, the Applicant has made further amendments to the application that the Applicant submits (A) are needed for proper protection of the invention and (B) require no substantial amount of additional work on the part of the Office.

The applicant has amended the application to add new claims that depend from independent claims 79 and 82. These new claims correspond to dependent claims previously allowed by the examiner that depended from independent claims 25 and 79. More particularly, the Amendment provides new claims 98-110 which depend from independent claim 79 and new claims 111-141 which depend from independent claim 82. The added dependent claims correspond to dependent claims 47-50, 52, 57-66, 80, 83, and 85-97 currently allowed by the Examiner.

Entry of this Amendment is respectfully requested.

Respectfully submitted,
